The Deputy Commissioner,
Kendriya Vidyalaya Sangathan
Regional Office
Gurgaon

Sub: - Regarding safety certificate of school building-reg.

Ref:- F.32030/Admn/2013/KVS (GGN)/20023-20070 dated 25.11.2016

Sir,

With reference to the subject cited above, this is to inform you that the school building is new (handed over to the Sangathan on 30 .07.2013) and was constructed by MP housing board. Now there is no office of the MP housing board in Delhi. So we asked different govt. construction agencies for giving safety certificate but not able to procure one till date.

But as per construction norms of MP housing board the newly constructed buildings are safe for ten years.

Thanking you.

Yours faithfully,

(PRAVEEN SHARMA)
